

## **Announcing the Barnard General Chemistry (BC2001x) Student-run Evening Help Workshops**

The Dean of Studies office has hired well-qualified tutors to help general chemistry students. The schedule is as follows:

**Tuesdays 7:00 to 9:00 PM      Milbank 237**

Tutors: UI Weena -----from 7-9pm

Ann Frisse -----from 8-9pm

**Wednesdays 6:00 to 8:00 PM      Milbank 302**

Tutors: UI Weena and Ann Frisse

The student tutors will answer questions about lecture topics and practice problems. They will give you some suggestions to help with hand-in problems, but they will NOT show you how to do them, nor will they check your work.

They will help with lab reports only if there are no other questions. They will not check your laboratory work!
